REQUEST LETTER

November 5, 2024

Dear Research Coordinator,

We are writing to formally request an extension for the submission of our manuscript entitled “**Real-Time Monitoring and Measurement of Carrot Leaf Heights for Harvesting using Image Processing**”. We understand that the original deadline has passed, and we apologize for any inconvenience this may cause.

We’ve been unable to complete our manuscript on time. We are committed to completing the manuscript to the best of our ability and believe that a short extension will allow to do so.

We are willing to accept a 10-point deduction on our final presentation grade as a consequence of this extension request.

We kindly request an extension until November 6, 2024, Wednesday.

Thank you for your understanding and consideration.

Sincerely,

Rowel T. Rompe
